

Empower eating disorder recovery as an LPN

Shift Options

Whether you're looking for day or night shifts, part-time or full-time, you'll find what fits your needs best.

Work/Life Balance

We offer competitive pay, generous PTO starting in your first year, and 401(K) matching.

Do you want to provide care and support to empower recovery while gaining valuable clinical skills? Explore an opportunity with us as a Licensed Practical Nurse (LPN).

At The Emily Program, we're committed to serving our clients the whole way through their treatment journeys. Our multidisciplinary teams meet each individual where they are and provide compassionate, individualized care every step of the way.

Our Ohio locations offer evidence-based treatment for children, adolescents, and adults across all genders, at all levels of care.

With our nationally recognized programs and continuing education opportunities, you'll invest in your future while investing in others.

Insurance Options

With plans for health, vision, dental, life, pets, and more, you'll be covered through all of life's ups and downs.

Ongoing Education

Learn from best and earn CE credits through our ongoing continuing education opportunities.
